

# Ragdoll

## 4Db ling

(Yeah)

(Rappin' fly beats dot net!)

Let me tell ya 'bout this chick, she my ragdoll!!

She call me papa, so I'm poppin' her like UH-UH!!

And I know, I'm a dirty boy for doin' that

But she beggin' me "Daddy boom boom please!!"

Let me tell ya 'bout this chick, she my ragdoll!!

She call me papa, so I'm poppin' her like UH-UH!!

And I know, I'm a dirty boy for doin' that

But she beggin' me "Daddy boom boom please!!"

Oh, she don't talk! Not even when we on the phone!

Got lace in her eyes and even lace for her bones

Button eyes stitched up

And her wrists cut!

Got me feelin' so dirty when this bitch SUCK!

she don't moan, she don't cry, she don't make a sound

She like a ragdoll: no smile, no frown

Does she have a soul, man, I don't really know

All I know is that she fucks like an animal!

Brings me to the sky  
Yeah she gets me high  
Makes it so that I can fly  
And I dont gotta try!  
She rides me back and forth  
Up, down, like a chore!  
Oh yeah, oh my, like she ridin' on a horse!  
I'm almost scared that I'm gonna make her seams pop!  
But she just keeps on goin' and she won't stop  
Like a robot, so I call her "Ragdoll"  
She makes ME scream, but she don't even flinch at all!  
Let me tell ya 'bout this chick, she my ragdoll!!  
She call me papa, so I'm poppin' her like UH-UH!!  
And I know, I'm a dirty boy for doin' that  
But she beggin' me "Daddy boom boom please!!"  
Let me tell ya 'bout this chick, she my ragdoll!!  
She call me papa, so I'm poppin' her like UH-UH!!  
And I know, I'm a dirty boy for doin' that  
But she beggin' me "Daddy boom boom please!!"  
I know this is sick, but how can I quit?!  
When she BLOWS on my DICK like she's smokin' glass shit!!  
It's magic, I swear

I admit, I'm addicted!

I just quit heroin, but THIS is DIFFERENT!

I'm a little bit enslaved by her toxic kisses

And the way she put her little face where my dick is

Bitches are nothin', but she is an angel

Grab her by her halo and fuckin' make that thang glow!!

That's what she came for, so who am I to tell her no?

She make my brain BLOW and then she out the door

All 365, 24/7

And I'm not kiddin' when I say she fly me to heaven

Like reverend, please, I need savin'!

She got me in a trance, my writh leg is rammin'

But I know now she is my ragdoll master

And she got me lovin' every minute that I have her

Let me tell ya 'bout this chick, she my ragdoll!!

She call me papa, so I'm poppin' her like UH-UH!!

And I know, I'm a dirty boy for doin' that

But she beggin' me "Daddy boom boom please!!"

Let me tell ya 'bout this chick, she my ragdoll!!

She call me papa, so I'm poppin' her like UH-UH!!

And I know, I'm a dirty boy for doin' that

But she beggin' me "Daddy boom boom please!!"

She don't blink, nah!

She don't think at all!

She just fuck me like she ain't got no soul at all

Stares like a blank wall

Quiet like an empty hall

She just fucks me

That's why I call her "Ragdoll"!

She don't blink, nah!

She don't think at all!

She just fuck me like she ain't got no soul at all

Stares like a blank wall

Quiet like an empty hall

She just fucks me

That's why I call her "Ragdoll"!
