Easy Lover

Tony DeSare

Easy lover
She'll get a hold on you, believe it
She's like no other
Before you know it you'll be on your kneesEasy lover
She will take your heart but you won't feel it
She's like no other
And I'm just trying to make you seeShe's the kind of girl you dream of
Dream of getting hold of
You better forget it
You'll never get itShe will play around and leave you
Leave you and deceive you
You better forget it
Oh, you'll regret itNo, you never change her
So leave it, leave it
Get out quick 'cause seeing is believing
It's the only way you'll ever knowEasy lover
She'll get a hold on you, believe it
She's like no other
Before you know it you'll be on your kneesYou're the one that wants to hold her
Hold her and control her
You better forget it
You'll never get itSo don't try to change her
Just leave it, leave it
Get out quick 'cause seeing is believing
It's the only way you'll ever knowEasy lover
She'll get a hold on you, believe it
She's like no other
Before you know it you'll be on your kneesShe's an easy lover
She's an easy lover
Easy lover
Before you know it you'll be on your knees'Cause she's an easy lover
She's an easy lover
She's an easy
Before you know it you gonna be on your kneesShe'll get a hold on you
