

Disasterpiece

Slipknot

Hold on to something! I wanna slit your throat and fuck the wound
I wanna push my face in and feel the swoon
I wanna dig inside, find a little bit of me
'Cause the line gets crossed when you don't come clean My wormwood meets your pesticide
You'll never get out, 'cause you were never alive
I am infinite, I am the infant finite
Come a little closer and I'll show you why No one is safe
Noises, noises, people make noises
People make noises when they're sick
Nothing to do except hold on to nothing No one is safe
Noises, noises, people make noises
People make noises when they're sick
Nothing to do except hold on to nothing How does it feel to be locked inside another dream
That never had a chance of being realized?
What the fuck are you lookin' at?
I'll tell you what you're lookin' at
Everyone you ever fuckin' laughed at Look in my eyes for the answers, typical
I can feel it underneath like a miracle
Everybody in the world needs more than
Lies and consequences to power them Once again, it's me and no one else
I can't remember if there was a someone else
It's not mine, it's not fair, it's outta my hands
And it's shaking, you'll never take me No one is safe
Noises, noises, people make noises
People make noises when they're sick
Nothing to do except hold on to nothing No one is safe
Noises, noises, people make noises
People make noises when they're sick
Nothing to do except hold on to nothing
Nothing, nothing Come on Hate, hate ain't enough to describe me
Scream, somewhere between screaming and crying
I'm not supposed to be here, I'm not supposed to be Why, when do I get to know why?
Bitter, bitter as the stink of when I try
I'm not supposed to be here, I'm not supposed to be, no Pull your hands away, I'm gone
Goodbye, it's so depressing, withering away
Take a look inside, my soul is missing All I have is dead so I'll take you with me
I feel like I'm erased so kill me just in case
I feel like I'm erased so kill me just in case
So kill me just in case Covet, everything around me's mine

Sty, can't see through the sties in my eyes
I'm not supposed to be here, I'm not supposed to beDown, scratching and clawing all the way
Stay, you won't let me fucking stay
I'm not supposed to be here, I'm not supposed to beLive, is there another way to live?
Die, 'cause it's the only way to die
I'm not supposed to be here, I'm not supposed to be, come onNo, no, noNo, I'm not supposed to be here, I'm
not supposed to be
I'm not supposed to be here, I'm not supposed to be
