Crazy In Love With You (feat. Elizabeth Cook)

Moot Davis

baby
baby
oh baby
do you know who i am
maybe
maybe
oh maybe
your one of those kind of men
kind mamma warned me about
said you just break my heart
and youd always be wild
tearin me all apart
so maybe
baby
i think your crazy
im crazy in love with youbaby
baby
oh baby
do you know who i am
maybe
maybe
oh maybe
your one of those kind of women
kind my daddy warned me about
said you just break my heart
and youd always be wild
tearin me all apart
so maybe
baby
i think your crazy
im crazy in love with youkind they all warned me about
said you just break my heart
and youd always be wild
tearin me all apart
so maybe
baby
i think your crazy
im crazy in love with you
im crazy in love with you
