

Hit the Wall

Kora

Ordinary days, ordinary ways
When I speak, you try to keep me covered
And no ground, no bones 'til I fade away
Ordinary days, ordinary ways, ordinary people
That's where they want you to stay
Ordinary days, that's what the paper says
When we speak, they try to keep us covered
And we're ground and bones 'til we fade away
The world is ours, yeah, we're taking it back
We're hitting the beat, we'd stop teaching attack
The streets are burning 'cause there ain't no law
It's time to smash down the Babylon walls
Hit the wall, hit the wall 'cause they got it all
Revolution on the rise and they gonna fall
Hit the wall, hit the wall 'cause we gotta ride tonight
For giving me power, corruption they feed
The world's disasters and all your disease
Too cruel, but master creator, our lives
Shapeshifter will deal me an ace
Hit the wall, hit the wall 'cause they got it all
Revolution on the rise and they gonna fall
Hit the wall, hit the wall 'cause we gotta ride tonight
We gotta ride tonight
Ordinary days, ordinary ways
When we speak, they try to keep us covered
That's what the paper says
Ordinary days, ordinary people, ordinary ways
We gotta ride tonight
We're seeing the future, with you on your knees
Radio, TV
You don't know much trouble you're in
The revolution is about to begin
The world is ours, yeah, we're taking it back
We're hitting the beat, we'd stop teaching attack
The streets are burning 'cause there ain't no law
It's time to smash down the Babylon walls
Hit the wall, hit the wall 'cause they got it all
Revolution on the rise and they gonna fall
Hit the wall, hit the wall 'cause we gotta ride tonight
We gotta ride tonight
