Boogie Man (Live!)

Funny Money

(Steve Whiteman)
I'm the boogie man I like to boog-a-loo
I know all the steps you know I got all the moves
I boogie to the left I boogie to the right
I boogie up and down I boogie woogie all night
Now come on
Oh yeah
Uh
Shake it on the ceiling baby
Shake and bake it on the floor
We'll hip and do the hop
We'll flip and do the flop
Like you never done before
I'll be your candyman baby
Call my name and I'll be there
Send chills down your spine
We'll bump and do the grind
You just call me if you dare
Come on take my hand honey
I'm your boogieman
Yes I am
Hey baby I can drive you crazy
All night to beat the band
I'll be your knight in shining armor
I can be your Romeo
Come on and take my hand to the promised land
To the top the cream will flow
Been around the block now baby
I can take you 'round the world
To London we will go
New York to Tokyo
Just say you'll be my boogie girl
Come on take my hand honey
I'm your boogie man
Hey baby I can drive you crazy
All nite to beat the band
Shake your hips your backbone slips
I'm gonna make your jelly jam
I'm the boogie man I like to boog-a-loo

I know all the steps you know I got all the moves
I boogie to the left I boogie to the right
I boogie up and down I boogie woogie all night
Now come on
Oh yeah
Uh
On the ceiling on the floor
You'll be coming back for more baby
I'll send chills down your spine
We'll bump and do the grind baby
I'm your boogie man
I'm your boogie man
Yes I am
I'm your boogie man
I'm your boogie man
