Fire Escape

Half Moon Run

Hey Dark Eyes,
Rest with me a while as I drift closer to sleep
Still cannot
Still cannot find no peaceYou let go the glass at our feet
It rained through the night
And you, take the fire escape
Run down the street to the churchHey Murderer,
Killin' keeps us close enough
Hey Murderer,
Every breath you steal is a breath that I breathe forYou let go the glass at our feet
It rained through the night
And you, take the fire escape
Run down the street to the churchYou let go the glass at our feet
It rained through the night
And you, take the fire escape
Run down the street to the church
