

Lemonade (feat. Luke Edgemon & Tori Kelly)

Jeremy Passion

She's my sunshine in the rain
My Tylenol when I'm in pain
Let me tell you what she means to me Like a tall glass of lemonade
When it's burning hot on summer days
She's exactly what I need She's soothing like,
the ocean rushing on the sand
She takes care of me
And she helps me be a better man
She's so beautiful
Sometimes I stop to close my eyes
She's exactly what I need She's my smile when I'm feeling blue
She's my good night's sleep when the day is through
Let me tell you what she means to me
Kinda like the feeling after your first kiss
Except that everyday she makes me feel like this
She's exactly what I need
