Dance with You

Karmin

It only takes a ripple and it all comes down
But still the world is turning, turning
Can I protect a candle so it won't blow out
When both the ends are burning, burningI know what I want
What I want is you
Why don't you
Give me a reason to act like a fool
What else can I doWe all gotta go sometime
I don't wanna say goodbye
I don't know when
I don't know why
But tonight I wanna dance with you
We all gotta go sometime
I don't wanna say goodbye
I don't know when
I don't know why
But tonight I wanna dance with youOh, I wanna dance with you
Oh, I wanna dance with youAnd how can I pretend that I don't have a clue
That none of us will make it, make it
If all we had was minutes this is what we'd do
We'd step up until they take us, take usI know what I want
What I want is you
What else can I
We all gotta go sometime
I don't wanna say goodbye
I don't know when
I don't know why
But tonight I wanna dance with youWe all gotta go sometime
I don't wanna say goodbye
I don't know when
I don't know why
But tonight I wanna dance with youOh, I wanna ride with you
Yeah, I wanna ride with you
I wanna dance with youSo what's the difference if we fall, fall, fall
Let's move like nobody can watch, watch, watchWe all gotta go sometime
I don't wanna say goodbye
I don't know when
I don't know why
But tonight I wanna dance with youWe all gotta go sometime

I don't wanna say goodbyeI don't know when
I don't know whyI don't know when
I don't know whereI don't know when
I don't know whyI don't know when
I don't know howI don't know when
I don't know whereBut tonight I wanna dance withI don't know when
I don't know whyI don't know when
I don't know howI don't know when
I don't know whereBut tonight I wanna dance with youOh, I wanna dance with you
Oh, I wanna dance with youLook, look at me while I wanna dance with youI don't know when
I don't know why
I don't know when
I don't know why
I don't know why
I don't know whenBut tonight I wanna dance with you
