

One Call Away

E.M.D.

yeah i know IÂ've been busy
itÂ's been a while since we spoke
I might come off a bit flaky
but there are things that you should know

so I canÂ't always be there when you want me
no IÂ've got other responsibilities
I know I havenÂ't been there, and I cantÂ't be baby

but I will always be
one call away
as soon as you appear
on my display
and no matter the time
ItÂ's all okey

(IÂ'm) just one call away

I know, you know that IÂ'm with one
you know IÂ've got someone else
but that donÂ't mean I wonÂ't come round
yeah If you donÂ't, I wonÂ't tell

but I wonÂ't always be there when you wanÂ't me
no IÂ've got other responsibilities
I know I havenÂ't been there, and I cantÂ't be baby

but I will always be
one call away
as soon as you appear
on my display
and no matter the time
ItÂ's all okey

(IÂ'm) just one call away

(stick)
IÂ'm not hear to stay
donÂ't wanna lie
and If ItÂ's okey

just a little while
but remember, hey
you can always dia
me up...

but I will always be
one call away
as soon as you appear
on my display
and no matter the time
ItÂ´s all okey

but I will always be
one call away
as soon as you appear
on my display
and no matter the time
ItÂ´s all okey

(IÂ´m) just one call away
