Skin Teeth

Hempress Sativa

Chorus.
A Nuh every Skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart
A Nuh every skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart

Verse 1.
Enemies in disguise
Discerning their energies from a mile
Some hailing with their
Lion paw and plastics smile
When deep inside you despise
Tell mi why
Friends have turn to foes
Disloyalty exposed
So now Iâ€™m more
Anti social
Third Eye open
Never let them close.
The ones who will betray you
Usually you will trust the most
Steam chalice and pose for pictures
For the Instagram post
Just know.

Chorus
A Nuh every Skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart
A Nuh every skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart

Verse 2.
Two face
Bared under a dark heart
Some of them wearing a mask

Intent is no good if they could
Try sending your body to the Morgue
Grudgeful them
want what you work for
Wonâ€™t work for what they want
Thru bad mind
them carry your name go obeahman
Thinking that the witches brew
And ocus pocus can distract
Me from my focus
Notice when your progress
How the jealous arise
Hypocrites will talk behind your back
and thatâ€™s a fact
But when they see you
Canâ€™t look you in the Eye
So just know

Cho.
A Nuh every Skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart
A Nuh every skin Teeth a Laugh
You can see a mans face
But you canâ€™t see his heart

Verse 3.
Enemies in disguise
Discerning their energies from a mile
Some hailing with their
Lion paw and plastics smile
When deep inside you despise
Tell mi why
Friends have turn to foes
Disloyalty exposed
So now Iâ€™m more
