Horrible

Mugre

I can't exist anymore, 'til I destroy you
I hate everyone, don't know what to do
ingesting flesh and bone makes me a cannibal
or am i criminal.. I feel so horrible.. horrible
now everything's horrible.. horrible
sucking on colorforms, becoming see through
still hating everyone as I detest you

I do not feel wrong.. this makes me durable
or am I criminal.. I'm so damn horrible.. horrible
now everything's horrible.. horrible
fade into yesterday, searching for my youth
trying to digest it all, searching for the truth
self centered devil spawn.. this makes me durable
or am I criminal.. I'm fucking horrible.. horrible
now everything's horrible.. horrible
