Mine

Becca Schack

When he walks, when he talks
When he says my name
Excuse me, I can't be
Caught dead playin that game
I march along to my own drum
As soon as he falls down I'm on the runMy heart is mine
And you can't take it
My heart is mine
And I won't give it
My heart is mine
And you can't have it
My heart is mine
Don't try to change my mind
Ooh ooh ooh oohWatch me glide in the night
Right across the room
Gotta know you're about to go
Fall to your doom
You may have my attention
At this moment in time
But pretty soon
I'll be back on the grindMy heart is mine
And you can't take it
My heart is mine
And I won't give it
My heart is mine
And you can't have it
My heart is mine
Don't try to change my mind
Ooh ooh ooh oohI'm a girl, I'm a woman
I'm a queen, I'm a princess
I'm a lion who will take you down
Who will take you down
Fefore you even turn around
Don't, don't, don't turn aroundMy heart is mine
And you can't take it
My heart is mine
And I won't give it
My heart is mine
And you can't have it

My heart is mine
Don't try to change my mind
Ooh ooh ooh ooh
