

what i see (chuck dukowski)

Black Flag

This feeling haunts me
Behind these eyes
The shell seems so empty
Does anything live inside? I want to live
I wish I was dead I don't even want to think I'm stuck here
And I know it
I don't want to see
Make me close my eyes I want to live I wish I was dead I look in your eyes
And see it's always this way
Live the lie and take a dive
Just to make it die I've just got to close my eyes
I've got to close my eyes
I've got to close my eyes
