

Best Friend

Brandy

Whenever I'm down I call on you my friend
A helpin' hand you lend in my time of need
So I'm, I'm callin' you now just to make it through
What else can I do, won't you hear my plea? Friends may come and friends may go
But you should know that
That I've got your back, it's automatic
So, never hesitate to call
'Cause I'm your sista and always for ya and I don't know what I'd ever do without you
From the beginnin' 'til the end
You've always been here right beside me
So I call you my best friend
Through the good times and the bad ones
Whether I lose or if I win
I know one thing that never changes
And that's you as my best friend Whenever I'm down and all that's going on is really going on
Just one of those days to ya, you said the right things
To keep me movin', to keep me goin' strong
What else can I say? Friends are there through thick and thin
But I've been told that and I believe it, it's automatic
Call me when you need a friend
'Cause I'm your sista and always for ya and I don't know I don't know what I'd ever do without you
From the beginnin' 'til the end
You've always been here right beside me
So I call you my best friend
Through the good times and the bad ones
Whether I lose or if I win
I know one thing that never changes
And that's you as my best friend What I'd ever do without you
From the beginnin' 'til the end
You've always been here right beside me
So I call you my best friend
Through the good times and the bad ones
Whether I lose or if I win
I know one thing that never changes
And that's you as my best friend Buddy, I can always call on my best friend
Buddy, I can always call on my best friend I'll be there for you when you're going through
Times that you may think that you need a friend
You can count on me, call me when you need
Won't you call me up? 'Cause I don't know what I'd ever do without you

From the beginnin' 'til the end
You've always been here right beside me
So I call you my best friend
Through the good times and the bad ones
Whether I lose or if I win
I know one thing that never changes
And that's you as my best friend I don't know what I'd ever do without you
From the beginnin' 'til the end
You've always been here right beside me
So I call you my best friend
Through the good times and the bad ones
Whether I lose or if I win
I know one thing that never changes
And that's you as my best friend
