

# Afflicted

## Age Of Daze

Why did I come here tonight  
With all these feelings inside  
You're much too good for this life  
And all the pain that you hide  
I want to take you away  
Wipe the tears from your eyes  
But all that stands in the way is  
That you don't realize Why I am addicted, addicted to you  
Like a bad pill, like a sick thrill  
I can't get enough of you I am afflicted, afflicted by you  
Like a bad pill, like a sick thrill  
I can't get enough of You you  
You you I want you so bad tonight  
That I can almost taste it  
I want to take you away  
Wipe the tears from your eyes  
But all that stands in the way is  
That you don't realize Why I am addicted, addicted to you  
Like a bad pill, like a sick thrill  
I can't get enough of you I am afflicted, afflicted by you  
Like a bad pill, like a sick thrill And when it all comes crashing down  
Will you still love it  
And if tomorrow never comes  
At least I had it I am addicted addicted to you  
I'm addicted I can't get enough of you  
I can't get enough of you I am addicted, addicted to you  
Like a bad pill, like a sick thrill  
I can't get enough of you I am afflicted, afflicted by you  
Like a bad pill, like a sick thrill  
I can't get enough of You you  
You you
