

Velouria

Weezer

Hold my head we'll trampoline
Finally through the roof
(Finally through the roof)
On to somewhere near and far in time
Velouria her covering
(ooh)
Traveling career she can really move
Oh velveteen! My Velouria, my Velouria
Even I'll adore you, my Velouria Say to me, where have you been?
Finally through the roof
And how does lemur skin reflect the sea?
Velouria, where have you been? My Velouria, my Velouria
Even I'll adore you, my Velouria We will wade in the shine of the ever
We will wade in the shine of the ever
We will wade in the tides of the summer
Every summer, every
My Velouria, my Velouria Forevergreen, I know she's here in California
I can see the tears of shastasheen My Velouria, my Velouria
Even I'll adore you, my Velouria
