Bastard

The Dodos

I am not your little brother
I am not your son
You are not my older brotherI will call you one
I feel your need to recover
I'm no longer your bastard
How long will you need to recover
I'm no longer your bastardI will follow you till it's over
I will stick to one
I will gravitate to another
Follow anyone
I feel your need to recover
I'm no longer your bastard
How long will you need to recover
I'm no longer your bastard
