## The John Dank Show

[Verse 1]

Shut the door turn around  
Let's find some common ground  
No more fake smiles, there's no one around  
It's just you and me now  
You've been saying everything on your mind  
Know the ending of your every line  
Suppressing what I'm feeling just to be kind  
Where do we go from here  
What can I say my dear  
That I haven't said before  
At least a thousand times more  
How can I assure you?

[Chorus]

Easy for you to say  
When things don't go your own way  
Saying you don't want to stay  
Easy for you to Say  
I don't wanna waste a day  
With the same songs on replay  
I'm sure that there's another way  
Easy for you to say (easy for you)  
Easy for you to say (easy for you)

[Verse 2]

What am I supposed to do  
To try to get through to you  
You think I'm doing this just for fun  
You think that you're the only one  
I feel like throwing up my hands  
I'm exhausted you're thoughtless  
Feel the same way  
I want the same  
Done this a thousand times before  
I'll go a thousand times more  
Just to assure you

[Chorus]

Easy for you to say  
When things don't go your own way  
Saying you don't want to stay  
Easy for you to Say  
I don't wanna waste a day  
With the same songs on replay  
I'm sure that there's another way  
Easy for you to say (easy for you)  
Easy for you to say (easy for you)

[Instrumental]

[Chorus]  
Easy for you to say  
When things don't go your own way  
Saying you don't want to stay  
Easy for you to Say  
I don't wanna waste a day  
With the same songs on replay  
I'm sure that there's another way  
Easy for you to say (easy for you)  
Easy for you to say (easy for you)
