Bitter Blue

Poco

Well, I came out of nowhere just to see you
Now I can't find my way home, feeling so blue
I see the sign by the corner light telling me
Which way to go, but I don't knowWhen you walked up to me and told me dearly
How you'd like me to join? You said quite clearly
Did it ever occur to you that I might like to see you?
Everyday I see a different situation, I can't find much that is trueAnd you know it ain't much of a relation
Still I'm calling on youAll the time I keep feeling how it could be
Between lovers who only want to be free
Just the same, I don't feel too strong
Armed with nothing but a song for too longMaybe there will be a day
I see directionOh, bitter blue, ooh, bitter blue
I keep on calling out your name
I look outside and find the rain
If I only had an idea what to doAbout you, bitter blue
Ooh, bitter blueOh, bitter blue, ooh, bitter blue
I keep on calling out your name
I look outside and find the rain
If I only had an idea what to doAbout you, bitter blue
Ooh, bitter blue
