Clean Bandit

I'm a snake, I'm a tricky little freak,
I'm a killer you won't see me as I slither down the street
I make noise and I'm poised like a train as you please,
I make heat when I tweet I am the real McCoy,
All the lies that you say to me, better pray for me,
Better kill me or pay for me,
Gotta get what you want, get what you want,
And all those things that I see you do, they make me breathe for you,
I better kiss you or kill you too,
Gotta get what you want, get what you want, get what you want.Da da da da da, da, da da da, da da da, da da da da da da da da da
Da da da da da, da, da da da, da da da,
I'm a, I'm a, I'm a, I'm a
I'm a come for you, I'm a predator, huh, predator
Gonna make you right, gonna edit ya, huh, edit yaSo now you sit and you watch TV,
It's mostly channel 3 'cause we don't pay our license fee,
Gotta get what you want, get what you want, get what you want
So many things that you said we'd do,
If only that were true, it seems your great plan has fallen throughHey, mm, yeah, yeah,Da da da da da, da, da da da, da da da, da da da da da da da da
Da da da da da, da, da da da, da da da, da da da da da da da daIn the beginning the light shone bright with possibilities,
It's still shining 'cause it runs on electricity,
So don't stop dreaming of the man that you could be,
Just give me a hand my friend be cool be strong and come with me
