

Brown Eyes

Lady Gaga

In your brown eyes I walked away
In your brown eyes I couldnt stay
In your brown eyes youll watch her go
Then turn the record on and wonder what went wrong
What went wrongIf everything was everything but everything is over
Everything could be everything if only we were older
I guess it's just a silly song about you
And how I lost you and your brown eyesIn your brown eyes I was feeling low
'Cause theyre brown eyes and you never know
Got some brown eyes but I saw her face
I knew that it was wrong
So baby, turn the record on, play that songWhere everything was everything but everything is over
Everything could be everything if only we were older
I guess it's just a silly song about you
And how I lost you and your brown eyes, brown eyesEverything was everything but baby, it's the last show
Everything could be everything but it's time to say goodbye, so
Get your last fix and your last hit
Grab your old girl with her new tricks
Honey yeah, it's no surprise that I got lost in your brown eyesIn your brown eyes, brown, brown eyes
Your brown eyes, brown, brown eyes
Got some brown eyes, brown, brown eyes
Your brown eyes
