# Honey I Don't Know

## Jason Collett

Honey, I don't know why I get so mean
Honey, I don't know why I get so mean
You never earned it, you don't deserve it
Honey, I don't know why I get so meanHoney, I don't know what you see in me
Honey, I don't know what you see in me
You just don't get it, you're gonna regret it
Honey, I don't know what you see in meYou're standing closer now
But I'll ever known how
I don't give away myself so easilyHoney, I don't know why I get so mean
Honey, I don't know why I get so mean
You shouldn't take it but baby you take it
And I don't know why I get so meanYou make excuses for
The promises I break and more
You should know better by now, you should know meI could try and make it up to you
If I had the kind of faith you do
But sometimes faith just adds what you don't wanna see
Honey, I don't know why I get so mean
