

New Moon On Monday

Duran Duran

Shake up the picture the lizard mixture
With your dance on the eventide
You got me coming up with answers
All of which I deny I said it again but could I please re-phrase it
Maybe I can catch a ride
I couldn't really put it much plainer
But I'll wait till you decide Send me your warning siren
As if I could ever hide
Last time la Luna
I light my torch and wave it for the New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite Breaking away with the best of both worlds
A smile that you can't disguise
Every minute I keep finding
Clues that you leave behind Save me from these reminders
As if I'd forget tonight
This time la Luna
I light my torch and wave it for the New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite I light my torch and wave it for the New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite New moon on Monday
And a fire dance through the night
I stayed the cold day with a lonely satellite
New moon on Monday
