

Hey Man (Now You're Really Living)

Eels

Do you know what it's like to fall on the floor
Cry your guts out 'til you got no more?
Hey man, now you're really livingHave you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man, now you're really livingNow you're really giving everything
And you're really getting all you gave
Now you're really living what this life is all aboutWell, I just saw the sun rise over the hill
Never used to give me much of a thrill
But, hey man, now I'm really livingDo you know what it's like to care too much?
'Bout someone that you're never gonna get to touch
Hey man, now you're really livingHave you ever sat down in the fresh cut grass
And thought about the moment and when it will pass?
Hey man, now you're really livingNow you're really giving everything
And you're really getting all you gave
Now you're really living what this life is all aboutNow what would you say if I told you that
Everyone thinks you're a crazy old cat?
Hey man, now you're really livingDo you know what it's like to fall on the floor?
Cry your guts out 'til you got no more
Hey man, now you're really livingHave you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man, now you're really livingDo you know what it's like to fall on the floor?
Cry your guts out 'til you got no more
Hey man, now you're really livingWell, I just saw the sun rise over the hill
Never used to give me much of a thrill
Hey man, now I'm really livingPeople
