

I've Loved a Lot More Than I've Hurt

Montgomery Gentry

Well I've spent more money than I've made
And I've grown more whiskers than I've shaved
Worked harder getting out of work
But I've loved a lot more than I've hurt I've spilled more whiskey than I've drank
I drove up more gas than was in my tank
And I've lost a lot more than my shirt
But I've loved a lot more than I've hurt Oh I've hurt a little now and then
But once you're broke you learn to bend
And the bottom line for what it's worth
Is I've loved a lot more than I've hurt Well I walk a lot more than I ride
And I show a lot more than I hide
I'm sometimes more trouble than I'm worth
But I've loved a lot more than I've hurt Oh I've hurt a little now and then
But once you're broke you learn to bend
And the bottom line for what it's worth
Is I've loved a lot more than I've hurt Yeah the bottom line for what it's worth
Is I've loved a lot more than I've hurt
