Let the Rough Side Drag

Jesse Winchester

WinchesterIt's a good thing, the sea's not dry
Such a good thing that cows don't fly
What a good thing to make a joyful noise.It's a good thing that beds don't talk
Such a good thing that chairs can't walk
What a good thing that God made girls and boys.Let the rough side drag
Let the smooth side show
While you pull that load
Everywhere you go.
It's a good thing that the air is free
Such a good thing that a man can see
What a good thing the Lord above has done.It's a good thing to be young and strong
Such a good thing we're not old for long
What a good thing that making love is fun.Let the rough side drag
Let the smooth side show
While you pull that load
Everywhere you go.
Let the rough side drag
Let the smooth side show
While you pull that load
Everywhere you go
While you pull that load
Everywhere you go
While you pull that load
Everywhere you go
