

# This Day

## Jenny Jordan Frogley

How did I let it get to this?  
I think Iâ€™ve lived with this long enough  
Where is the girl I used to be?  
When did she start giving up?  
Why am I holding on to fear?  
Why can I have a little faith in me?  
Itâ€™s time I tell it like it is  
Iâ€™m my own worst enemy

Stuck and frustrated  
Itâ€™s time that I moved on  
My someday and one day  
Iâ€™ve been waiting far too long

This day  
Iâ€™m gonna let it go  
This day  
Iâ€™m gonna close the door  
To all thatâ€™s been holding me  
Will be but a memory

This day  
Will be my day to shine  
This day  
Iâ€™m gonna make it mine  
And nothings gonna stand in my way  
This day

Iâ€™ve been stealing from myself  
All this precious time  
Cause I thought I wasnâ€™t worth it  
Somewhere down the line  
But that is so far from the truth  
And I know that now today  
And when I need to be reminded  
I get on my knees and pray  
I get on my knees and pray

This day  
Iâ€™m gonna let it go

This day  
Iâ€™m gonna close the door  
To all thatâ€™s been holding me  
Will be but a memory

This day  
Iâ€™m gonna spread my wings  
This day  
Iâ€™ll do amazing things  
And nothings gonna stand in my way  
This day

Iâ€™m ready to face the unknown  
Iâ€™m ready to see how far I can go  
No hesitating  
I wanna see just what Iâ€™m made of

This day  
Iâ€™m gonna let it go  
This day  
Iâ€™m gonna close the door  
To all thatâ€™s been holding me  
Will be but a memory

This day Iâ€™m gonna spread my wings  
This day Iâ€™ll do amazing things  
And nothings gonna stand in my way  
This day  
This day
