

Superman (From "The Chips Moman Sessions")

Willie Nelson

Too many pain pills too much pot
Tryin to be something that I'm not
Superman Superman
Tryin to do more than I can
I ain't Superman Well I blew my throat and I blew my tour
I wound up sippin on soup d'jour
I wasn't Superman I wasn't Superman
Try to do more than I can
I wasn't Superman Well the doctor said son It's a cryin shame
But you ain't Clark Kent and I ain't Lois Lane
You ain't Superman you ain't Superman
Tryin to do more than you can
You ain't Superman And when I die put it on my stone
God said sucker get your bad ass home
You wasn't Superman you ain't Superman
Tryin to do more than you can
You ain't Superman
Tryin to do more than than you can
But you ain't Superman
