Get in the Car

Wheezing Maniac

The first time I saw you
At the Pickens Center
I knew you'd be mine
One way or another
I couldn't get your smile out of my head
And the way you said thank "you"
(ohhhh)
I've put on my best suit
Uncle Ed gave me a haircut in the barn
My dad told me to bring the hatchet
He said sometimes girls were... bad
I followed you home nervously
You screamed when you opened the door
I said my name was Jack and I love you
And you should
Get in the car
It was a good thing I brought the hatchet
I had the door open in minutes...
You're so pretty when you're paralyzed with fear
Say you love me...
Lover...
I FEEL LIKE SUCH A MAN
I FEEL SO EXCITED
THIS IS FUNNER THAN BOWLING
GEE I LOVE YOU SO GRAND
SO GRAND
HOW MANY GUYS YOU HAD
