

Tonight

Violent Femmes

Tonight.
Tonight.
Tonight.
Tonight, I want to get high.
Tonight, I want to get high.
Tonight, I want to get high, high, high.
I don't care if I live or die.
Tonight, cause I want to get high.
Tonight, I want to get drunk.
Tonight, I want to get drunk.
Tonight, I want to get drunk, drunk, drunk.
I'm big enough, yeah I'm a punk!
Tonight, cause I want to get drunk,
but it would be much better if we do it together.
Tonight, cause I want to get laid.
Tonight, cause I want to get laid.
Tonight, I want to get laid, laid, laid.

I dont care if it is good grade.
Tonight, cause I want to get laid.
Tonight, cause I want to get fucked.
Tonight, cause I want to get fucked.
Tonight, I want to get fucked, fucked, fucked.
Do me slow, do it in'a trunk
Tonight, cause I want to get fucked.
but it would be much better if we could do it together.
Tonight, I want to get high.
Tonight, I want to get high.
Tonight, I want to get high, high, high.
I don't care if I live.
Tonight.
Tonight.
Tonight.
