Ohio

Kingswood

She's got pretty almond eyes,
I was taken by surprise
She was standing at the show
Why? I guess I'll never know
Should I stay or should I go
You can stay a little longer
You can stay a little longer
You can stay a little longer
Stay a little longer as my heart grows fonderI don't have another day
'Cause they're taking her away
She was standing at the fair
Why I don't know I don't care
I just saw her standing there
You can stay a little longer
You can stay a little longer now
You can stay a little longer
Stay a little longer as my heart grows fonderI ain't gonna be your Ohio man
I ain't gonna take you by the hand
I ain't gonna be your Ohio man
Oh take me out Ohio land
And I ain't gonna be your Ohio man
OhioI've packed up my artifacts and leave in mid December
As I'm leaving all the things I know the one thing to remembers
That the middle of nowhere is somewhere for someone else
Ohio's gonna get you or she'll put you on the bottom shelf
Yeah baby
I said yeah babyShe'll break the poor boy down
'Cause who's got words for times like these
You can stay a little longer
You can stay a little longer
You can stay a little longer
Stay a little longer as my heart grows fonderI ain't gonna be your Ohio man
I ain't gonna take you by the hand
I ain't gonna be your Ohio man
Oh take me out Ohio land
And I ain't gonna be your Ohio man
