Terror Firmer

Lunachicks

Wee all goin down!Hey Casey where youe goin with that gun in you hand?
I heard you shot a lad insane in a white riot of white light and white heat
You got your whips and furs and youe a warrior in tromaville
Well I don wanna be in your crazy dungeon 'cause that where they all fallYoue all goin down! Youe all goin down!
Youe all goin down! Youe all goin down!
And I going too!Are they all lost for life or just in trauma zone?
You may wonder but on their plunder it a terrifying ride, yeah
Everybody burnt and keep forgetting to watch their backs oh no!
Breasts are explodin and guns are reloadin and it gonna be a big blood bath!Youe all goin down! Youe all goin down!
Youe all goin down! Youe all goin down!
And I going too! And I going too!
And I going too! And I going too!Run for life Casey got a knife SGT
Kabuki man, toxic avenger, fish man you better live fast
'cause erveybody goin down
And I going too!
