Jah Rastafari

Culture

Too long in our little ghetto,
Wrong has been going on, let's protest,
Children of Israel who really, love rights.

For Jah set I and I as a watchman,
Around Babylonian walls,
Oh.. yes, children of Israel.

I and I and I will never hold no peace while we are penalized,
Day nor night.

We gonna bust down Babylon's wall,
Preparing the way, preparing the way for Jah People,
Fight down war and crime, Rasta fight down war and crime,
Fight down war and crime and build up di righteousness.

Jah Rastafari..
Jah Rastafari..
Jah Rastafari..

For Jah set I and I as a watchman,
Around Babylonian walls,
Oh.. yes, children of Israel.

I and I and I should never hold no peace while wrong is going on,
Day nor night.

We should bust down Babylon's wall,
Preparing the way, preparing the way for Jah People,
Fight down war and crime, Rasta fight down war and crime,
Fight down war and crime and build up di righteousness.

Jah Rastafari..
Jah Rastafari..
Jah Rastafari..
