

High Heel Leather Boots

Baby Bee

(Woohoo!)

All my lovin' is dumb love.
All I'm good at is messin' up.
Oh, baby, if you like it cut loose,
Well you kick it like (Kick it like)
High heel, leather boots.

And I can rock it right
'til the end of rolling sight.
S-s-so come on pretty baby if you like to cut loose,
Well you kick it like (Kick it like)
High heel, leather boots.
Alright!

If all you're lovin' is dumb love,
And all you're good at is messin' up.
Y-y-you can call me baby 'cause I like to cut loose,
When you kick it like (Kick it like)
High heel, leather boots.
(Oh! Here we go!)
