## Halloween Songs

They do what they wanna do, say what they wanna say  
Live how they wanna live, play how they wanna play  
Dance how they wanna dance, kick and the slap a friend

The addams family

Now I was cold coolin', you know (maxin' and relaxin')  
Just kickin' it around the house (oaktown kicking' it)

When a knock, a knock, a knock and a voice yo

Can hammer come out? (what's up?)

Now I don't mind (mind) being a friend

And showin' a little bit of flava (flava)

But wednesday, pugsley, gomez, fester (oh man)

Man, them some strange neighbours

They do what they wanna do, say what they wanna say  
Live how they wanna live, play how they wanna play  
Dance how they wanna dance, kick and the slap a friend

The addams family

I remember the day I needed to borrow

A little of pepper (for my chicken)

The next thing you know, comin' at me

Was a hand with the fingers high steppin' (I'm witcha)

Now I tried to play it along (you know)

And act like I was havin' a ball (ha ha)

But what do I see (yo) a perm with feet (cousin it)

Standin' about three feet tall (I'm outta here)

They do what they wanna do, say what they wanna say  
Live how they wanna live, play how they wanna play  
Dance how they wanna dance, kick and the slap a friend

The addams family

Speakin' and thinkin' about the addams

You know the hammer is with it (I'm with it)

Act a fool, no bones, swooop, goofy and randy

You know we kick it (the posse)

Now is the time to get in your mind

It's ok to be yourself (be yourself)

Take foolish pride and put it aside

Like the addams, yo! they def (that's a family!)

They do what they wanna do, say what they wanna say  
Live how they wanna live, play how they wanna play  
Dance how they wanna dance, kick and the slap a friend

The addams family  
(Addams) too legit  
(Addams) too legit  
(Addams) too legit (who's too legit?)
