Alive

JSMV

(Verse 1 Mr Vee)
So fasten your seat belts
I put ma hands in the air like I need help
I pose for the pics like I'm famous
Imagining the whole world know what ma name is
I got a drink in ma right hand
Screaming out this is the life man
In on a all time high and
Nobody's bringing me down an
Now that's what I'm saying
And I'm singing loud
Now I open up my eyes and I'm singing to crowds
More alive than I've ever been
And I've got the biggest smile that you've ever seen
I'm alive til I'm dead like Proffessor Green
Love the vibe of the night that's the remedy
Can't dance but it's tough to make my feet stop
Especially when the mother loving beat drops

(Chorus Jamie Stimpson)
I'm feeling so hiiigh
Put your hands up
Put your hands up in the skyyy
Cause I'm feeling so alive
I'm so alive

(Verse 2 Mr Vee)
Yes I talk a little too much
And I can get a little bit crazy
I'm like a millionaire with no million
That's just how I've been living it lately
But I'm feeling larger than life
Got a couple screws loose
Still I'm sharp as a knife
And I dress to impress like an actor
Ain't you heard I'm starting in life
I love the life I can taste it
It's good
Once you've had a little taster

You're basically hooked
If I could remember all the faces I would
Man I'm sorry if I don't say hey when I should
But I'm in a world full of strangers
And I'm getting high off the unknown
I live for the lights and the lazers
And I never wanna come home

(Chorus Jamie Stimpson)
I'm feeling so hiiigh
Put your hands up
Put your hands up in the skyyy
Cause I'm feeling so alive
I'm so alive

(Bridge)
Feeling alive, yeah
Got my hands in the sky
From side to side, yeah
Living the life
Feeling alive, yeah
Got my hands in the sky
From side to side, yeah
Living the life

(Chorus Jamie Stimpson)
I'm feeling so hiiigh
Put your hands up
Put your hands up in the skyyy
Cause I'm feeling so alive
I'm so alive!!
