

# Bizarre Love Triangle

## South

Every time I think of you  
I get a shot right through  
    Into a bolt of blue  
    It's no problem of mine  
    But it's a problem I find  
Living the life that I can't leave behind  
    There's no sense in telling me  
The wisdom of a fool won't set you free  
    But that's the way that it goes  
    And it's what nobody knows  
And every day my confusion grows  
    Every time I see you falling  
    I get down on my knees and pray  
    I'm waiting for the final moment  
You say the words that I can't say  
    I feel fine and I feel good  
    I feel like I never should  
    Whenever I get this way  
    I just don't know what to say  
Why can't we be ourselves like we were yesterday  
    I'm not sure what this could mean  
    I don't think you're what you seem  
    I do admit to myself  
    That if I hurt someone else  
Then I'll never see just what we're meant to be  
    Every time I see you falling  
    I get down on my knees and pray  
    I'm waiting for the final moment  
You'll say the words that I can't say  
    Every time I see you falling  
    I'll get down on my knees and pray  
    I'm waiting for the final moment  
You'll say the words that I can't say
