

# Rocky Road Blues

Dwight Yoakam

Lord the road is rocky but it won't be rocky long

Lord the road is rocky but it won't be rocky long

Because another man has got my woman and gone Hey I've got those blues I'm wearing out the soles of my shoes

Yes I've got those blues I'm wearing out the soles of my shoes

My gal went way and left me she left me with the doggone blues Lord the road is rocky but it won't be rocky long

Lord the road is rocky but it won't be rocky long

Because another man has got my woman and gone You'll never miss your water until the well runs dry

You'll never miss your water until the well runs dry

You'll never miss your woman until she says goodbye Lord the road is rocky but it won't be rocky long

Lord the road is rocky but it won't be rocky long

Because another man has got my woman and gone Ah and I wish to the Lord you'd bring my woman back home

Yeah I wish to the Lord you'd bring my woman back home

I'm not so lonesome I just don't want to be alone Lord the road is rocky but it won't be rocky long

Lord the road is rocky but it won't be rocky long

Because another man has got my woman and gone
