

# If I Could Make A Living

Clay Walker

If I could make a living out of lovin' you  
I'd be a millionaire in a week or two  
I'd be doin' what I love and lovin' what I do  
If I could make a living out of lovin' you  
Early every mornin' when the sun comes up  
I'm punchin' that clock on the wall  
Breakin' my back just to make a buck  
Wishin' I was in your arms  
If I could make a living out of lovin' you  
I'd be a millionaire in a week or two  
I'd be doin' what I love and lovin' what I do  
If I could make a living out of lovin' you  
I could work all day and feel right at home  
Lovin' that eight to five  
Never have to leave you here alone  
When I'm workin' overtime  
If I could make a living out of lovin' you  
I'd be a millionaire in a week or two  
I'd be doin' what I love and lovin' what I do  
If I could make a living out of lovin' you  
If I could make a living out of lovin' you  
I'd be a millionaire in a week or two  
I'd be doin' what I love and lovin' what I do  
If I could make a living out of lovin' you  
If I could make a living out of lovin' you  
I'd be a millionaire in a week or two  
I'd be doin' what I love and lovin' what I do  
If I could make a living out of lovin' you
