R. Kelly

There's alot of guys out there blamin' other cats for takin' they woman
Imma put it to you like this, I tell niggaz
"Hey, don't bring your woman to the club
Don't bring your main squeeze to the club, you what I'm sayin'?"
Unless your game is tight 'cuz if yo game ain't tight
And a nigga walk in and his game is tight
Shit, you fuck around lose yo woman, you know what I'm sayin'?
