

The Bluest Eyes In Texas

Restless Heart

That lonesome Texas sun was setting slow
And in the rearview mirror, I watched it go
I can still see the wind in her golden hair
I close my eye for a moment, I'm still there
The bluest eyes in Texas
Are haunting me tonight
Like the stars that fill the midnight sky
Her memory fills my mind
Where did I go wrong? (Back-up vocals only)
Did I wait too long? Or can I make it right?
The bluest eyes in Texas
Are haunting me tonight
Another town, another hotel room
Another dream that ended way too soon
Left me lonely prayin' before the dawn
Searching for the strength to carry on
The bluest eyes in Texas
Are haunting me tonight
Like the stars that fill the midnight sky
Her memory fills my mind
Where did I go wrong? (Back-up vocals only)
Did I wait too long? Or can I make it right?
The bluest eyes in Texas
Are haunting me tonight
For every heart you break, you pay a price
But I can't forget the tears in her blue eyes
The bluest eyes in Texas
Are haunting me tonight
Like the stars that fill the midnight sky
Her memory fills my mind
Where did I go wrong? (Back-up vocals only)
Did I wait too long? How can I make it right?
The bluest eyes in Texas
Are haunting me tonight
The bluest eyes in Texas
Are haunting me tonight
