

# Is This Love (Remix) (feat. LVNDSCAPE & Bolier)

## Bob Marley & The Wailers

I want to love you  
I want to love you, and treat you right  
I want to love you, every day and every night I want to love you, and treat you right  
I want to love you, every day and every night We'll be together, with a roof right over our heads  
We'll share the shelter, of my single bed  
We'll share the same room  
Is this love, is this love, is this love  
Is this love that I'm feelin'? I want to love you, and treat you right  
I want to love you, every day and every night  
We'll be together, with a roof right over our heads  
We'll share the shelter, of my single bed  
We'll share the same room  
Is this love, is this love, is this love  
Is this love that I'm feelin'? Is this love, is this love, is this love  
Is this love that I'm feelin'?  
I want to know, want to know, want to know now Is this love, is this love, is this love  
Is this love that I'm feelin'?  
Is this love, is this love, is this love  
Is this love that I'm feelin'?  
I want to love you
