I'm Telling You

Audrey Williams

I'm telling you
You better change your ways
I'm tired of being lonely night and day
While around the town you chase
There'll be someone in your place
If you don't stop your cheatin' I'm a-tellin' youI'm getting wise
So take a tip from me
I am not the foolish soul I used to be
If you think you're treating me wrong
You'll come home I'll be gone
If you don't straighten out I'm a-tellin' youThe road is long that never takes a turn
And the heart is hard that has no change to yearn
I have loved you much too much
You big old such and such
Now you'd better straighten out I'm a-tellin you
