

# All I Ask of You

Andrew Lloyd Webber

No more talk of darkness, forget these wide-eyed fears  
I'm here, nothing can harm you my words will warm and calm you  
    Let me be your freedom, let daylight dry your tears  
I'm here with you, beside you to guard you and to guide youSay you love me every waking moment  
    Turn my head with talk of summertime  
    Say you need me with you, now and always  
    Promise me that all you say is true  
That's all I ask of youLet me be your shelter, let me be your light  
    You're safe, no one will find you, your fears are far behind you  
    All I want is freedom, a world with no more night  
And you always beside me, to hold me and to hide meThen say you'll share with me one love, one lifetime  
    Let me lead you from your solitude  
    Say you need me with you, here beside you  
    Anywhere you go, let me go too  
Christine, that's all I ask of youSay you'll share with me one love, one lifetime  
    Say the word and I will follow you  
    Share each day with me, each night, each morning  
    Say you love me, you know I do  
Love me, that's all I ask of youAnywhere you go, let me go too  
    Love me, that's all I ask of you
