

This Is Everything (live)

Tegan and Sara

Climbed up on the rainbow
Just to see if I'd fall off
I'm a frosted lemon coward
And I don't know how
No don't know to hold you without shaking
No I'm not aware of how I could possibly love you without aching
Yes I give you everything
Yes I give you anything
I gave you everything
Gotta watch myself
I've gotta love myself
And take care
And so keep the light on before ya' hop into bed
'Cause, baby, this is the last honest love I'll ever give
I saved up all my sunshine just to see you more clear
I'm a little short on sorrow and I haven't given in
No I'm going to hold you anyway and I'll do it without shaking
Yes I'll love you always and I'll do it without aching
Yes I'd give you anything
Yes I'd give you anything
I gave you everything
Gotta watch myself
I've gotta love myself
And take care
And so keep the light on before ya' hop into bed
'Cause, baby, this is the last honest love I'll ever give
I give you everything
I give you anything
I gave you everything
Gotta watch my self
I've gotta love myself
And take care
Yeah
Gave you
I gave you
I gave you everything
So I've gotta watch myself
And love myself
And take care

This is your last love
This is your last love
This is your last love
Yeah this is your last love
This is your last love
This is your last love
And so keep the light on before ya' hop into bed
'Cause, baby, this is the last honest love I'll ever give
