I Will

Sonicflood

My Saviour, Redeemer
My love and my Lord
I'll give You all of my heart
My will and my soulYou take me as I am
A scarred and broken man
Lord, I surrender all I have to You, to YouI will give You everything
I will, I will
Make my life an offering
I will, I willMy Saviour, I'll never
Forget what You've done
You carried the weight of my sin
To the cross, the victory's wonYou make my heart brand new
Now there's nothing I won't do
Lord, I surrender all I am to You, to YouSo when I lose my life
I save it, I save it
And by Your Grace I'm saved
I know, I know itAnd when You were on the cross
You gave it, You gave it all
Oh, yes You did, You gave it allI will give my heart to You
I will, I will
Broken and poured out for You
I will, I willNo price I pay
Will ever be too great for me
To rest alone in the love You've shown
I'm free, I'm freeYou took the stripes
You took the pain for me
So now I sing a song of hope
I'm free, I'm freeSo now I sing Hallelujah
I'm free, I'm free
