Upside Down

Ian Brown

Wars and famine, plagues and pestilence
There is an answer to be found
If all that's meant to be was meant to be
I know the world is upside down
I know the world is upside down
I know the world is upside downA desert rose cascading waterfalls
The sands of time will blow my mind
The real wealth to hold is with your health
You were beside me all around
I know the world is upside down
I know the world is upside downSeven percent own eighty-four percent of all the wealth on earth
Oil is the spice to make a man
Forget man's wealth right here on earth upon this turf
Earth is spinning round
You and beside me all around
Is upside down
