

Tek It Down

Teddybears Sthlm

Tek it down

Tek it downSome people call me Tarzan, some call me a creep

Step on my Adidas and I'll put you to sleep

Some people call me Tarzan, some call me a creep

Step on my Adidas and I'll put you to sleep

Tek it downWe go rocking Teddybears

Stopping chapmaking every town

Burning up your stereo

Turn it up and tek it down

Tek it downGet get up, get get up get up

Turn it up and tek it down

Get get up, get get up get up

Turn it up and tek it downSome people call me Tarzan, some call me a creep

Step on my Adidas and I'll put you to sleep

Tek it down

Some people call me Tarzan, some call me a creep

Step on my Adidas and I'll put you to sleep

Tek it downStep on my Adidas, step, step, step

Step on my Adidas and I'll put you to sleep

Tek it downStep on my Adidas, step, step

Step on my Adidas and I'll put you to sleepWe go rocking Teddybears

Stopping chapmaking every town

Burning up your stereo

Turn it up and tek it down

Stopping chapmaking every town

Burning up your stereo

Turn it up and tek it downStep, step, step, step on my Adidas

Step, step step and I'll put you to sleep

Get, get up, get, get up, get up
Turn it up and take it down
Get, get up, get, get up, get up
Turn it up and take it down
