

I'll Get Even

John Paul White

What am I supposed to do?
I keep fallin' short with you.
Nothin's ever good enough.
I can't ever measure up.
I give and I give like never before
but try as I may its gonna take more.
Some day I'll get even.
It might take as long as I'm breathin'.
If its the last thing I do
I'll catch up with you, or I'm gonna try
until the day that I die, 'til I get even.
I know hell waits for no man;
got to do this while I can.
Every time I'm almost there,
darlin' you stop playing fair.
You give and you give your innocent love.
I beg and I steal and I can't keep up.
Some day I'll get even.
It might take as long as I'm breathin'.
If its the last thing I do
I'll catch up with you, or I'm gonna try
until the day that I die, 'til I get even.
Some day I'll get even.
It might take as long as I'm breathin'.
If its the last thing I do
I'll catch up with you, or I'm gonna try
until the day that I die, 'til I get even.
Some day I'll get even.
It might take as long as I'm breathin'.
If its the last thing I do
I'll catch up with you, or I'm gonna try
until the day that I die, 'til I get even.
